Presentation to follow from 8-9:30 a.m.

Christ Episcopal Church
4030 Manatee Avenue West, Bradenton, FL 34205

In today's world, PK-12th-grade students have increased demands on their everyday life which is causing them stress, whether it comes from school, home or friends. Parents are always looking to find ways to help children navigate these demands so they will be "well-balanced students." This year at Headliners we are excited to have with us guest speaker Mr. Jon Kleiman who is a member of Stanford University's CHALLENGE SUCCESS program. He will present new research from the Graduate School of Education at Stanford about ways to keep a healthy home environment, reduce academic stress without sacrificing achievement and increase your child's resilience, creativity, and well-being.

Please RSVP via email to parentsassociation@saintstephens.org or text 941-713-3764 to let us know you will be joining us.
